

CHILDREN'S MINISTRY

The RA's and GA's were busy this month! They made up gift bags for the basketball camp which they attended during the week of July 23 – 27. The camp was a huge success thanks to our wonderful coaches, Renee Ladner and Nancy Ladner, and the many volunteers who helped!!! This coming month we have several events planned for the boys and girls. We are going to have another swim/pizza party at the Evans house. We are going to bake and deliver cookies to the firemen on Old Highway 49. We are also planning another trampoline park visit as a Kickoff for the school year. We are anticipating a great year for the girls and boys!
