

MEN'S MINISTRY

Our church Brotherhood is an organization that is open to all the men of First Baptist Church of Lyman, and we could use your help. We are always open to new ideas for meaningful ways to bring our men of faith together for a day of fellowship. We are also looking for men who enjoy getting together with other men, cooking breakfast and helping with the many preparations and cleanup chores.

Our monthly **Sunday** morning breakfast will be resuming very soon, and our group of faithful cooks and pot washers would sincerely appreciate your help and support. If you are interested in becoming an active part of this men's ministry, please contact Jim Riley at church or at 228-669-1940. Leave a message if you don't get an answer; your call will be returned. Thanking you in advance for your time and consideration in this blessing of service to others.

Jim Riley, Brotherhood Director
