

Sunday, May 7<sup>th</sup>, was a busy day at First Baptist Church of Lyman. Four events took place that day:

### Spring Fling 2017 was a great success!

As usual, the event followed our **Sunday** morning worship service. It was held in our backyard with over 100 people attending. It was a beautiful day with plenty of sunshine and a cheerful gathering. The food - boiled crawfish and grilled burgers and dogs with all the sides and trimmings - and the fellowship were awesome! The children enjoyed a bounce house, and the teenagers and adults had friendly games of basketball and corn hole.

Equally wonderful was how everyone pitched in to take the tables, chairs and other needs down to the backyard, and then help clean up and return everything to the kitchen and fellowship hall. There are always a lot people behind the scenes in every successful event. Thank you all so much!

### Brotherhood Breakfast

In other church news for May 7<sup>th</sup>, the Brotherhood cooked their famous morning breakfast consisting of bacon, sausage, eggs, grits, pancakes, biscuits and gravy. David Peacock, Kyle Peterman, and B.J. Stephens provided music during the breakfast. Doyle Tines also shared his testimony with the breakfast crowd. According to the

Brotherhood Director, Jim Riley, this will be the last breakfast until the fall. Thank you Brotherhood members for all the great meals each month. See ya in the fall!

### Senior Adult Day

May 7<sup>th</sup> was also Senior Adult Day and the Senior Adult Choir sang "How Great Thou Art" in the morning worship service. In addition, Bonnie Thrash presented Beverly Lee, Young At Heart Director, with a bouquet of flowers and a gift certificate to show the church appreciation for all of her work with the YAH group. Thank you Beverly and all the YAH members!

### RA/GA Recognition

Two of our church GA's and one RA were recognized for memorizing 30 Bible verses: Olivia Peterman, Adrian Peterman, and Abigail Peterman. Other RA/GA members, like Ethan McDougall, are practicing to memorize scripture. Lori Evans and Kim Peterman made the presentations.
